

DAILY
PUBLIC LEDGER

WEEKLY REPUBLICAN—1897.
DAILY PUBLIC LEDGER—1898.

MAYSVILLE, KY., TUESDAY, JANUARY 20, 1903.

ONE COPY—ONE CENT.

MR. JACOB RILEY.

Mr. Jacob Riley died suddenly this morning at his home at Clark's Station, heart disease being the cause of his demise.

Deceased was born December 3, 1844, in Mason county.

He was one of this section's wealthiest and best known citizens, prominently identified with many public and private undertakings.

He was a brother of Mrs. Sallie Longnecker and Mr. George Riley, both of this county.

Surviving are his wife and one son, Mr. James Riley.

The arrangements for the funeral had not been made when THE LEDGER went to press.

AUGUSTA'S FAIR.

Maysville Delegation Delighted With the Trip Saturday.

The Board of Trade's jaunt to Augusta last Saturday was a complete success from every standpoint, seventy-three citizens and the Band leaving here at 11 o'clock.

When Augusta was reached, that city's excellent Band played a welcoming air; then the Maysville delegation formed in line and marched to the Smith Hotel, where dinner was served in good old-fashioned style.

The tobacco samples were received at the Opera-house and went to make up a superb grade of tobacco.

The judges were from Cincinnati, and not arriving till 1 o'clock necessarily delayed the opening of the Fair, because in addition to judging the samples they also classified and arranged them. At 3 o'clock the exercises began with music by the two Bands uniting. A speech of welcome by Hon. John B. Clark, the awarding of prizes in gold and the selling of samples by Mr. Kirk of Cincinnati completed the day.

The city of Augusta is made up of charming, cultured and wealthy people, whose homes are beautiful and whose hospitality can never be questioned.

Their commercial thrift and municipal progress are apparent and the "gem" of Bracken county has every reason to look forward to the future with much encouragement. To her belongs the honor of inaugurating Tobacco Fairs and her second attempt drew a big crowd and will do untold good to the farmer and his product.

Colonel Stephen Johnson, aged 75, and Mrs. Amanda Ecton, aged 87, died Sunday at Winchester.

Mrs. George Elliott Peay is dead at her home in Carter county. She was a remarkable woman in many ways. Fifteen years ago she shut herself up in her room and refused to have any communication with the outside world. She would not eat unless food was prepared by her husband, to whom she seemed devotedly attached. This he did three times a day for the fifteen years.

Mrs. Louisa Morton is reported quite ill at her home in the county.

Upon the advice of his physicians, Mr. Harry B. Owens did not leave yesterday for Martinsville, Ind.

Unconscious From Croup.
During a sudden and terrible attack of croup our little girl was unconscious from strangulation, says A. L. Spafford, Postmaster, Chester, Mich., and a dose of One Minute Cough Cure was administered and repeated often. It reduced the swelling and inflammation, cut the mucus and shortly the child was resting easy and speedily recovered. It cures Coughs, Colds, LaGrippe and all Throat and Lung troubles. One Minute Cough Cure lingers in the throat and chest and enables the lungs to contribute pure, health-giving oxygen to the blood. J. Jas. Wood & Son.

The old Christian Church and grounds at Paris were sold at public auction Saturday and purchased by John T. Hinton for \$4,951.

The twenty-second anniversary of the Young People's Society Christian Endeavor will be celebrated in this city on February 1st by a union meeting at the Central Presbyterian Church. A special program will be arranged.

Henry A. Stone of Louisville and James P. Helm, attorneys for the L. and N., were in Frankfort Saturday filing records in the Federal Court in the injunction case of the L. and N. which it seeks to restrain the State Board of Valuation and Assessment from certifying for collection of franchise tax for state, county and municipal purposes on \$7,000,000 of property. The records were expressed to Judge Cochran in this city and the case submitted.

A Scientific Discovery.
Kodol does for the stomach that which it is unable to do for itself, even when but slightly disordered or overloaded. Kodol supplies the natural juices of digestion and does the work of the stomach, relaxing the nervous tension, while the inflamed muscles of that organ are allowed to rest and heal. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. J. Jas. Wood & Son.

One Hundred Dollars a Box
Is the value H. A. Tidale, Summerton, S. C., places on DeWitt's Witch Hazel Salve. He says: "I had the piles for 20 years. I tried many doctors and medicines, but all failed except DeWitt's Witch Hazel Salve. It cured me." It is a combination of the healing properties of Witch Hazel with antiseptics and emollients; relieves and permanently cures blind, bleeding, itching, and protruding piles, sores, cuts, bruises, eczema, salt rheum and all skin diseases. ALL RUN DOWN.

An Every Day Story—No Appetite, No Ambition, Constant Headaches, No Rest, No Sleep, Listless, Languid, All Played Out—A Maysville Citizen Gives the Cure.

Mrs. J. H. Farley of No. 211 Fourth street, Maysville, Ky., says: "I have been for a long time troubled with severe nervousness and I was generally run down. I read of Dr. A. W. Chase's Nerve Pills and got a box at Chenoweth's Drugstore and now I can say my nerves are steadied and my health generally improved. I can recommend this medicine very highly."

Dress Stuffs A BARGAIN!

\$2½ to \$5 buys a dress pattern that a fortnight ago would have cost \$5 to \$10. Not to wool Dress Goods are reductions confined—silks have also been sheared of all profit. Never a better time to buy a dress, waist, or skirt. Perhaps some neighbor has availed of this sale—ask her opinion of our January bargains—we know her answer will bring you here.

FURS—One-Half!

The offer can be made in a dozen words. Every fur piece in the store at a reduction of one-half from the marked figures. Owing to the warm fall we marked furs early in December at the lowest prices ever known in the store's history—and from these lowest of low prices we again clip one-half.

Is only a bargain when it is a worth-while article at less than usual price. Last winter's coats would not be cheap to smart dressers at any price.

EVERY WRAP

In our stock is correctly fashioned and was made for the winter of 1902-3. We didn't carry one coat over from last year. We emphasize this point because it is difficult for anyone to grasp the extraordinary values we are giving in the coat department. You think old-fashioned garments are only possible at such prices. Don't waste time over that fallacy when a glance will instantly confirm every detail of our statement.

A right royal good morning to you; and how have you been these three weeks?

THERE is a growing belief that YOUTSEY will never "tell all he knows" about the Goebel assassination until he declares that one HENRY E. YOUTSEY fired the fatal shot.

HENRY E. YOUTSEY, with the assistance of Judge CANTRILL and Commonwealth's Attorney FRANKLIN, has just pulled off another of his periodical "confessions." One is always due just on the eve of the trial of CALEB POWERS or JIM HOWARD.

It is said to have taken YOUTSEY over thirty hours to "tell all he knew" about the Goebel killing. It's a safe bet that he could have told the whole truth inside of thirty minutes. The remaining hours and half hours were probably devoted to the "squeezing" process.

In accord with a tremendous public pressure, Congress has put all kinds of coal on the free list for one year. The Tariff on bituminous coal was 67 cents a ton. Now watch the price fall. The normal price of anthracite coal is \$4.50 to \$6 a ton. It is now selling in some places at \$15 to \$25. Can't you see just how the knocking off of that 67 cents a ton will induce foreigners to send their coal here?

WHAT a better world this could be made by the people in it. If a poor struggling fellow could only come back from the grave at the end of a week and hear the good things said of him by his jealous-hearted neighbors in the flesh, it would make him feel like his life had not been altogether a failure. Why are people so envious that they must wait for their fellows to die before they credit them with their good deeds?

There was one addition by letter to the Christian Church Sunday.

IT WILL COME BACK.

Some Maysville Residents Have Learned How To Keep It Away.

Your back may not ache very long. But the ache will return shortly. Comes oftener, stays longer. Unless the kidneys are relieved. Doan's Kidney Pills cure all kidney ills.

Maysville people endorse them. Mrs. W. F. Cooper of 1002 East Second street, says:

"Doan's Kidney Pills are worthy of the fullest confidence and their great merit and effectiveness are quickly proven by a short course of treatment. Mr. Cooper procured Doan's Kidney Pills for me at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets. They are worthy of the strongest endorsement."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y.

Sole Agents for the United States. Remember the name—DOAN'S—and take no substitute.

Isn't it funny that they can never get more than one Republican on the Juries that try the Goebel murder suspects?

THE removal of the Tariff of 67 cents a ton on coal will have about as much influence on the present price of that article as YOUTSEY's latest "confession."

THE "conspiracy" to kill Senator GOEBEL must have been a prodigious affair, when it took YOUTSEY seven days to tell the Franklin County Democratic Grand Jury what he alone knew about it.

CONSUL GENERAL GOWDY says it is not probable that any French coal will be shipped to the United States as the result of the action of Congress in placing coal on the free list; nor is it probable that it will come from any other foreign country. The removal of the Tariff of 67 cents a ton on coal was a concession to a senseless public clamor, and it will have no more effect on either the supply or the price of coal than the Gulf Stream.

THE Louisville Times is generous enough to say that "unquestioned evidence" as to the assassin of GOEBEL is not wanted by those accused of the crime. Whether they want it or not, they are not likely to get it. TOM CAMPBELL the snitch prefers to dish out testimony made to order by the Honorable GEORGE FRANKLIN WEAVER and the Honorable WHARTON GOLDEN. And, by the way, what has become of these self-confessed white-livered perjurers?—these scoundrels that Commonwealth's Attorney FRANKLIN was going to "prosecute" so vigorously.

JUDGE TARVIN of Covington is one of those "strenuous" Democrats who thinks it part of a Judge's duty to engage in political debates during a campaign; and yet Judge TARVIN has a keen sense of official propriety, not to say decency. On a recent occasion in his Court he asked Governor BECKHAM to appoint a special Judge to try the suit between APPEGATE and PERKINS for the possession of the Latonia Race Course. Judge TARVIN declined to sit in the case, as he at one time was a political opponent of Judge PERKINS. He didn't even wait for any one to file an affidavit asking him to vacate the Bench. How different from Judge CANTRILL!

BRONCHITIS

We Know is Hard to Control.

Our Vinol is Making a Wonderful Record in Curing This Dangerous Disease.

CALL AND LET US TELL YOU ABOUT IT.

Here is a letter that has just come to our attention. It will interest people suffering from bronchial troubles. It is from Mr. Geo. W. Brown, of So. Hanover, N. H., and reads as follows:

"I have suffered with bronchial troubles for over a year; tried two doctors and have taken three or four kinds of medicine, none of which did me any good. At times I was so hoarse I could not speak. Then I heard of Vinol. After taking three bottles of it my voice has perfectly returned to me. I can see that in a short time I will be all right. When I began to take it I was very weak, but it has built me up and given me a good appetite."

This is what Vinol always does. This is the way Vinol accomplishes its mission of doing good.

Vinol, as we wish every one to know, owes its power of accomplishing the cures that it effects to the fact that it contains the most wonderful medicinal elements known to science for the cure of all wasting diseases, as well as being in itself a marvelous tonic. These medicinal properties exist and have heretofore been found only in cod-liver oil. Vinol contains these elements. For by a scientific process the necessary curative properties of the cod-liver oil have been separated from the fat and grease which formerly made cod-liver oil preparations so objectionable.

As long as Vinol does not contain any of the vile-smelling oil, and is prepared by combining the sought-after properties with a delicate table wine, it is a most delicious and palatable preparation.

We know of what we speak when we recommend Vinol, and because we do know that Vinol does all we claim for it, we unhesitatingly endorse it, and guarantee at any time to refund the money paid for the remedy if you are not satisfied it will do all we claim for it.

LESSON IN AMERICAN HISTORY IN PUZZLE

THE BATTLE OF MONMOUTH.
Find Gen. Clinton.

Following the long winter of suffering at Valley Forge came brighter days for the colonial army, when, on June 18, 1778, Gen. Clinton evacuated Philadelphia and started for New York, the American army entering the capital on the same day. Clinton sent a part of his army to New York by water, and with the remainder started across New Jersey, followed closely by Washington. The British army was overtaken at Monmouth and a fiercely contested battle was fought. At nightfall the advantage was with the Americans, though it had not been a decisive victory, and during the night the British retreated. It was at this battle that Gen. Washington administered the rebuke to Gen. Lee which later resulted in Lee's retirement from the army.

A WOMAN'S RISK

As a trapeze performer is greater than a man's. She must have a man's courage and a man's muscle to succeed. But she must also work under conditions of which a man knows nothing. Many an accident to women acrobats must be attributed to the sudden weakness to which all

women are subject at certain times.

Dr. Pierce's Favorite Prescription heals the womanly diseases which cause weakness. It establishes regularity, dries, weakens drains, heals inflammation and ulceration, and cures female weakness. It makes weak women strong and sick women well.

"With pleasure I write to-day in praise of Dr. Pierce and his medicines," says Mrs. Mary Conway of Appleton, Lawrence Co., Tenn. "I was troubled with female disease; the back of my head hurt me so I could not lie in bed and I would have to sit up, and then I would have such pains from my waist down I could scarcely raise up. My feet and hands would feel almost like ice. Since taking Dr. Pierce's Favorite Prescription I can sleep well all night. Could hardly drag around before I took your medicine, and now can do my housework and help my husband in the field. Words cannot express the thanks I owe to Dr. Pierce."

Weak and sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is held as strictly private and sacredly confidential. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Common Sense Medical Adviser, containing more than a thousand large pages, is sent free on receipt of stamps to pay expense of mailing only. Send 31 one-cent stamps for the cloth-bound volume, or only 21 stamps for the book in paper covers. Address Dr. R. V. Pierce, Buffalo, N. Y.

FAUST IS COMING.

"The Devil is Coming" is placed all over the wall spaces devoted to advertising, for Faust is announced at the Washington Opera-house Thursday, January 22nd. The features of this year's production are the excellence of the company and the new scenery. The most powerful dramatic scene is that of the new Broken, where, amid fire and smoke and sulphur fumes, Satan stands high up among the rocks, with fitful flames playing about his person, waving his fiery sword as a sceptre of his power over the lost souls below, whose torture evokes only Mephisto's exultant laughter. All the scenery used in the production this year is new and the electrical effects have been brought to a pitch of perfection which amazes the uninitiated. Seats go on sale Wednesday morning at Nelson's.

CUTICURA OINTMENT.

Purest of Emollients and Greatest of Skin Cures.

The Most Wonderful Curative of All Time

For Torturing, Disfiguring Humours.

Cuticura Ointment is beyond question the most successful curative for torturing, disfiguring humours of the skin and scalp, including loss of hair, ever compounded, in proof of which a single anointing with it, preceded by a hot bath with Cuticura Soap, and followed in the severer cases by a dose of Cuticura Resolvent Pills, is often sufficient to afford immediate relief in the most distressing forms of itching, burning and scaly humours, permits rest and sleep, and points to a speedy cure when all other remedies fail. It is especially so in the treatment of infants and children, cleansing, soothing and healing the most distressing of infantile humours, and preserving, purifying and beautifying the skin, scalp and hair.

Cuticura Ointment possesses, at the same time, the charm of satisfying the simple wants of the toilet, in caring for the skin, scalp, hair and hands from infancy to age, far more effectually, agreeably and economically than the most expensive of toilet emollients. Its "Instant relief for skin-tortured babies," or "Sanative, antiseptic cleansing," or "One-night treatment of the hands," or "Single treatment of the hair," or "Use after athletics," cycling, golf, tennis, riding, sparring, or any sport, each in connection with the use of Cuticura Soap, is sufficient evidence of this.

Millions now rely on Cuticura Soap, assisted by Cuticura Ointment, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itchings and chafings, as well as for all purposes of the toilet, bath and nursery.

We Tell the Truth

ABOUT OUR GOODS!

And our goods are good enough to tell the truth about. The H., S. & M. Clothing is simply a revelation in ready-to-wear garments for men. Nothing approaching their equal in

FIT, STYLE and WORKMANSHIP

Has ever been produced, and the cost is no more for these fine tailored Suits and Overcoats than you pay elsewhere for the ordinary ready-made stuff. If you have never seen this finest production of the tailor's art we invite your inspection. Come in, try them on if you like, and you will say we have indeed told the truth.

In our Men's Furnishing Department we have all that's new, and useful gifts for the Holidays. See our corner window display.
